Important Cautions Regarding Forward Looking Statements

This press release contains forward-looking statements. In addition, from time to time, representatives of the Company may make forward-looking statements orally or in writing. These forward-looking statements are based on expectations and projections about future events, which are derived from the information currently available to the Company. Such forward-looking statements relate to future events or the Company's future performance, including its financial performance and projections, growth in revenue and earnings, and business prospects and opportunities. Forward-looking statements can be identified by those statements that are not historical in nature, particularly those that use terminology such as "may," "should," "expects," "anticipates," "contemplates," "estimates," "believes," "plans," "projected," "predicts," "potential," or "hopes" or the negative of these or similar terms. In evaluating these forward-looking statements, you should consider various factors, including: (i) the Company's limited operating history; (ii) the Company's ability to introduce new products and services; (iii) regulatory and compliance requirements; (iv) the effect of the COVID-19 pandemic on the Company and its current or intended markets; and (v) other risks and uncertainties described herein, as well as those risks and uncertainties that are described more fully in the section titled "Risk Factors" in the final prospectus related to the initial public offering filed with the SEC and other reports filed with the SEC thereafter. These and other factors may cause the Company's actual results to differ materially from any forward-looking statement. Forward-looking statements are only predictions. The forward-looking statements contained in this press release are made as of the date of this press release, and the Company does not undertake any responsibility to update the forward-looking statements in this release, except in accordance with applicable law.
